Vision

Integrity – Deliver our commitments

Respect – Everyone is important

Innovation – Finding ways to do things better

Ethics – Act ethically in all we do

Collaboration – Work together to succeed

About Us

Incorporated in 2015, Sun Packaging is a leader in plastic packaging in India. Sun Packaging is involved in the manufacturing of injection molded Pail containers, Blow molded drums and Multilayer film for flexible packaging. Sun Packaging has state of the art processing plants at Nani Daman (Dadra & Nagar Haveli and Daman & Diu) and we are committed to ongoing investment in new manufacturing facilities. Our upward graph represent us as market leaders in Plastic Packaging industry which give us competitive advantages.

We are an ISO 9001:2015 by TUV NORD certified company assuring our customers best quality products and on time delivery.

Why Us

Our Motto: Best Service to Our Customers

One stop shop for your packing needs

Systematic and extensive quality control

On time delivery

Setup for all types of in house decorations and printing for Paints

Highly skilled staff with over 20 years of experience

Customization as per customers requirements

Competitive pricing

World class and hygienic work floor

Quality Testing and Assurance

Our in-house testing facility is eminently equipped and is run by experienced & skilled staff

Pail / Blow

- Vibration Test
- Stack & Load Test
- MFI Test
- Drop Test
- Handle Test

Pail / Blow

- Elongation Test
- Lid Fitting Test
- Leakage Test
- Hydrostatic Test

MultiLayer

- Dart Test
- GSM Test
- COF Elongation Test
- Seal Strength
- Optical Opacity Test

Few Of The Industries We Cater To

We have an impressive brand loyalty. We cater to **100+ brands** across industries. Our products are well customized to suit specific industrial and individual needs. Our Pail and drum containers are well liked by our customers.
